

GOODWOOD

The Role

The Compliance Engineer will be part of the Repairs & Maintenance (R&M) Department and report to the Deputy Repairs & Maintenance Manager.

About us

At Goodwood, we celebrate our 300 year history as a quintessentially English Estate, in modern and authentic ways delivering extraordinary and engaging experiences. Our setting, 12,000 acres of West Sussex countryside and our story both play significant roles in Goodwood's success. What really sets us apart is our people. It is their passion, enthusiasm and belief in the many things we do that makes us the unique, luxury brand we are.

Passionate People

It takes a certain sort of person to flourish in such a fast-paced, multi-dimensional environment like Goodwood. We look for talented, self-motivated and enthusiastic individuals who will be able to share our passion for providing the “**world's leading luxury experience.**”

Our Values

The Real Thing

We employ meticulous attention to detail to create experiences, as they should be. We are honest and open.

Daring Do

We don't mind breaking the rules to create the best possible experiences. We will take tough decisions.

Obsession for Perfection

It's a team thing – everybody mucks in to make things happen. We're madly passionate about what we do.

Sheer Love of Life

We want to make everyone feel special by loving what we do.
